

TIS THE SEASON

2019

2019 House Chamber Christmas Tree Affectionately named “Ruby”

Celebrate the season and the creativity of Texans from across the state.

Members of the Texas House of Representatives were invited to select a constituent to create a Christmas ornament to showcase unique elements of their house districts. These ornaments now hang proudly on this native Texas tree in celebration of the many facets of our nation’s second-largest state, home to over 27 million people.

This photo album provides the opportunity for a closer look at the handcrafted treasures that have been received this year. Ornament albums are assembled chronologically by district number. To look for your hometown’s district, please reference the nearby House district map.

The Texas House of Representatives is proud to display trees that were provided by the Texas Christmas Tree Growers Association in conjunction with the organization’s president, Francis Frederick, including this 25-foot Virginia Pine, compliments of Marshall and Sharlote Cathey of Elves Christmas Tree Farm in Denison. Additional trees, three 7-foot Virginia Pines, and two 10-foot Fraser Firs, compliments of Francis and Kim Frederick of Wintergreen Farm in Van Alstyne, are located throughout the Capitol.
